

OUTSTANDING SERVICE AWARD

Everyone please look out for people in your Federation/Confederation that you think meet this criteria.

The WBC Outstanding Service Award is a prestigious award bestowed on those individuals who have provided significant and dedicated service to the sport of Barefoot water skiing at International Level over a period of not less than 20 years. The recipient of the award is someone who has distinguished himself/herself above and beyond all other individuals in serving the sport. (It is not given merely for time served.)

In rare circumstances, where a candidate provides an outstanding and extraordinary contribution to the sport over a period of not less than 10 years at international level, such service may be considered for recognition of the award.

Below is the nomination form for this award which should then be emailed to both

Claire Mowday (Chairperson of the WBC Awards Committee)
